## BIBLE READINGS FOR 1909.

Requests have come to the Y. M. C. A. for something like the Bible Reading Movement of last year, and in response to this request a course of New Testament readings will be arranged and announced in a short time. Dr. Griffin W. Bull of Pittsburg, has written a series of comments to be read daily along with the Gospels and Letters, and these are being considered as the plan for this year. The readings were published each month last year in "Association Men," the official organ of the Y. M. C. A. of the United States and Canada, and were so enthusiastically received by all sorts of men that they have now been issued in pamphlet form. If this plan is adopted, a copy of this pamphlet will be placed in the hands of every one desiring to read the New Testament through and find every day interesting.

MRS. LONGWORTH HAS  
A NARROW ESCAPE

WASHINGTON, December 30.—Mrs. Nicholas Longworth narrowly escaped being trampled beneath the hoofs of a pair of spirited horses today when she was caught between an ambulance and a carriage in front of the New National Theater. The President's daughter screamed, and as the prancing animals were about to spring upon her, Policeman Catts, who was a short distance away, leaped forward and grasped her by the arm, jerking her to the sidewalk. Representative Longworth was standing in the lobby of the theater and witnessed his wife's narrow escape. Several women who also witnessed the affair shrieked when they saw the horses pawing the air within a few feet of Mrs. Longworth's head.
